Bladimir - I see that CD 13 has a CSLA day in Northeast and Rampart Divisions that following Monday, 1/28. Would it be possible to work with the local LAPD to see about trading those days, so that the NOE/Rampart areas get cleaned on 1/23, and the Schrader sites get cleaned on Monday?

I agree and that sounds OK to me - as long as it does not impact A) the CSLA date actually happening, and B) my colleagues' dates in the rest of the district. If we can make sure those things aren't impacted, I'm OK. Please advise.

Dan, given Victor's email I believe we should move the scheduled CSLA cleanup at Selma and Schrader to the following week. We can work with Sanitation and other departments, as well as with other Council Offices, to make the necessary adjustments. The Youth Count in Hollywood - and the Homeless Count in general - is too important to risk impacting it with a scheduled cleanup at that location.

Let's discuss.

Thanks.

Hi Dan,

Wanted to bring up a small hiccup that was just brought to my attention. Apparently, the Youth Count in Hollywood is taking place on the 23rd, and some providers were asking how the clean-up might impact this. I'm going to connect with my Homeless Count team when I'm back at the office, but just wanted to raise that with this group.

Hi everyone,

Happy New Year! I hope you all had a restful holiday break. Following up on a conversation we began at the UHRC Policy Group meeting on December 20th -- CD13 has a Hollywood CSLA Day on the schedule for Wednesday, January 23rd.

Based on the feedback we've received from our constituents, as well as our own observations in the field, we are requesting the below sites to be scheduled for CSLA Day on 1/23. That being said, we want this to continue to be led by outreach, so I wanted to communicate to all of you as early as possible regarding our intentions. I am requesting that the outreach teams be informed of the possibility of CSLA on 1/23, and to message and engage with their clients accordingly.

As I've said before, the ideal scenario is voluntary compliance, thus negating the need to have a "full" CSLA Day. I am hopeful that can be achieved.

Here are the sites we are requesting for 1/23:

1) Selma Avenue <https://maps.google.com/?q=1+Selma+Avenue&entry=gmail&source=q> :

* 170126008 SELMA AVE AT SCHRADER BLVD
* 180407051 6663 SELMA AVE <https://maps.google.com/?q=6663+SELMA+AVE&entry=gmail&source=q>
(B/W CHEROKEE AVE / LAS PALMAS AVE)

2) Carlos/Gower area:

* 171120009 5987 CARLOS AVE <https://maps.google.com/?q=5987+CARLOS+AVE&entry=gmail&source=q> (B/W GOWER AND BRONSON, INCLUDING THE TAMARIND CUL DE SAC)
* 180820048 1814 N GOWER ST <https://maps.google.com/?q=1814+N+GOWER+ST&entry=gmail&source=q> (101 FREEWAY UNDERPASS)

Please let me know if you have any questions.
